

Health & Safety Policy

**TAYLOR
CENTRE
FOR THE
PERFORMING
ARTS**

Our Commitment

At the Taylor Centre for the Performing Arts we are committed to providing standout event and theatre experiences in the safest environment possible. You can attend our events with confidence knowing that we have health and safety measures in place.

To ensure the health and safety of our audience, staff, artists, and campus community, proof of vaccination will be required for those 12 and older.

We believe that our measures are essential to provide the safest environment possible for our patrons, musicians, and staff, as well as to help reduce the spread of COVID-19 in our community.

Vaccine & Tickets

By purchasing a ticket on our [ticketing page](#), you subsequently declare that you are vaccinated. This means you have received a second dose of a World Health Organization (WHO)-approved COVID-19, plus two weeks, to be considered immunized.

(Note that the Janssen vaccine is the only Health Canada approved vaccine that requires only a single dose for a complete series – if an individual has received one dose of a Janssen vaccine at least two weeks prior, this would be considered sufficient).

Proof of Vaccination

Your proof of vaccination must display the name, type of vaccine and the date it was received. Acceptable proof of vaccination includes:

- Government of Alberta COVID-19 immunization record via QR code (saved on phone or printed out)
- Provincially/territorially officially recognized vaccine record
- First Nation vaccine records
- Canadian Armed Forces vaccine records
- ArriveCan app and valid international travel identity document

At this time, we will not be accepting a negative rapid test or PCR tests as a substitute for proof of vaccination.

Masking

Wearing a mask is mandatory indoors. The removal of your mask is only permitted when consuming food or beverages and should not be removed for an extended period of time.

Please note that performers will not be required to wear a mask or physically distance while on stage.

We will be monitoring the COVID-19 situation closely, and will update our protocols accordingly. Please refer to your performance's event page for show-specific information and continue to check back regularly prior to visiting the Taylor Centre.

If you have any questions about these policies or the Taylor Centre in general, please contact us at mrevents@mtroyal.ca
